4-H POLICIES AND ELIGIBILITY

Clarification On Event Entry Forms & Eligibility Forms

We would like to clarify between event entry forms and eligibility forms....event entry forms and paperwork (ie: stock shows, food shows, fashion shows, round-ups, etc...) vary in nature, depending on the event. They have strict deadlines and will **not** be extended.

Second, an eligibility form, required by the state of Texas "no pass, no play" rule for competitive events, is another issue. On several events, we ask that all forms be turned in at the same time so that we can have time to review them before the event...**but** we also understand that since we have so many different grading periods in schools and districts, that some eligibility forms do not get signed by the due date. We will work with you and your school, so if you are having trouble getting eligibility forms to us, please call to let us know and we will work with you.

In all cases, you would not be able to participate if we do not receive the eligibility form before the event. We hope this helps. If you have any further questions about this, please let us know.

All Competitive Events Need Eligibility Forms

Please be reminded that all competitive events require eligibility forms, even if conducted during the holidays - ie: consumer decision, livestock show, etc. If you have entered a contest and within 10 days of the contest have **NOT** received an eligibility form to take to your school, call our office right away. Keep an eye on your calendars. It is your job to get the formed signed by the school and turned into our office before the event.

There are some circumstances that non-competitive events will also require eligibility forms ie: school tours, etc. due to the fact you will need permission to be out of school. If you have signed up to participate in these types of events, please keep an eye out for your form.

Office Assistants Job Responsibilities

If you need information on 4-H Livestock, Food Show, Fashion Show, Consumer Decision Making and Nutrition Quiz Bowl, please contact **Annette**. If you need information on any other 4-H event, enrollment, etc. contact **Pam**.

If You Win....

If you win at a county contest, you will advance to the district contest. Our office provides entry information on the district contest to you which includes how to enter on line on the 4-H Connect program and deadlines. It is then your responsibility to complete the entry by the due date or it will not be accepted.

Deadlines

Due dates and times are important. We have started a new program year and there will be some important due dates. Our due dates are decided upon according to District and State due dates. Deadlines will be according to office hours 8 a.m. - 5 p.m. Monday-Friday. Dates set by our office will be upheld. **NO LATE ENTRIES WILL BE ACCEPTED.** If you mail your forms, entries, etc, it **your** responsibility to verify that we received it. Please read your newsletter carefully and mark your calendar for due dates. There is a drop slot in the front door. An 11"x13" envelope will fit through it. You can use this drop slot to help you meet deadlines.
