

4-H CLUB SCRAPBOOK GUIDE LINES

Eligibility

Each 4-H Club or group is eligible to submit one scrapbook each year.

4-H club members are responsible for compiling and preparing their club's scrapbook. One objective of this competition is to encourage increased leadership by 4-H members. Each club might consider electing a Historian and appointing a scrapbook committee.

Entry for Competition

It is the responsibility of the club officers and club manager to promote the preparation of a scrapbook.

Scrapbooks are due in the County Extension Office on the same date established each year for Record Book entries.

Cover and Contents

Scrapbooks should be **no larger** than 20 inches x 20 inches. No minimum size is specified.

A new scrapbook cover may be designed each year or a scrapbook cover may be used more than once.

Information in a scrapbook should cover 4-H programs and activities for no longer than the current year. The year for the scrapbook competition is September 1 of each year until August 31 of the year the scrapbook is entered for competition.

Scrapbook contents should include programs and activities of the club. Materials which may be included are newspaper clippings, photos, copies of programs for contests, banquets, trainings and other events in which club members participate. Other materials are acceptable. Each club's book should be unique to its own programs and activities and to its own membership.

Judging and Awards

Scrapbooks entered will be displayed at the County Awards Program and awards will be presented there.

The 4-H Scrapbook Scoresheet will be used in judging scrapbooks.

Each book entered will receive a participation ribbon.

First, second and third place ribbons, as well as cash, will be awarded.
