

Southwest Roughriders – Reporter Savanna Keller

The Southwest Roughriders 4-H Club Officer Team met for our first meeting and officer training on Saturday, September 22, 2009 at 12:30 p.m. We were proud to have ten members and eight adult volunteers present. Many thanks to our club managers, Jeff and Amber Tondre, for hosting the training. We would also like to thank Mr. Michael Tondre for all his assistance in training our officers. While each of the officers had a private session, we ate a delicious lunch of hamburgers and hot dogs. All officers were taught their duties and what was expected of them to have a great 4-H year. We held a mock meeting and discussed our club by-laws. Then we reviewed our budget and discussed possible fundraisers. We ended our meeting at 5:00 p.m. and are very excited about the upcoming 4-H year.
