**Alamo Metro – Reporter Vickie Carden**

Discussed plans for 09-10 year. Informed members about up coming Mega Meeting. Train club officers.

**Texas Ryder's 4-H – Reporter J. Tovar**

President Jackie hello to all, I am the newly elected President and am proud to serve. This past summer we celebrated before school started at Splash Town U.S.A. a fun day in the sun and great eats, Thanks to Charles and Prisciilla who made all the arrangements(sponsored by Cilla C Ranch), also Mrs Maggie for the food and sweets we ate and swam and ate. The Banquet also held in the summer was great, we girls had to dress semi-formal for the boys that meant clean jeans, jus kidding, We received trophy's, Colored T-shirts Logo's, and bags of assorted candies, we also recognized parents who went out of their way and they received medals w/ horseheads on a ribbon( I think all Parents got a Medal), The club then gave Charles a picture portrait of ourselves in a group as a token of our appreciation, you know so he can look at us in his office all day. We were served jumbo burgers with all the works and fries, We want to thank our parents,grandparents and friends who made this past year fun, A date was set up for the up coming year and practice will soon start . A parent stood up and wanted to make a word change from "club" to "FAMILY" we are family and we are happy, I think he is right . smiles and hugs

**Southwest Roughriders – Reporter Savanna Keller**

The Southwest Roughriders 4-H Club met at our 4-H tree on October 13th, 2009 at 6:30 p.m. After decorating the tree with ribbons for 4-H week and in support of the troops, we opened the meeting and moved to our meeting location where a short goat clinic took place. We then began the meeting and reported on One Day 4-H at Miracle Meadows and the Leaders 4 Life Workshop. In our Old business we discussed the Lytle Methodist Church Food Drive, the donation to the Southwest Area Buyers Club Wheelbarrow, and the chocolate sale progress. In our new business we decided to once again help a needy family for Thanksgiving, school tours, and swine validations. After appointing next months refreshments volunteer, we adjourned the meeting at 8:15 p.m. Special thanks to Mrs.Hill for the goat clinic.

**Haven – Reporter Paula Marvel**

Our 4-H club meeting began with an awesome icebreaker game to celebrate National Positive Attitude Month. We went over club rules using fun hand signals to remember the rules. Amy Senger collected donations for SNAP (Spay Neuter Assistance Program.) We talked about 4-H Week and National 4-H Day of Community Service. Our club newsletter was handed out. World's Finest Chocolate was given out. The program was a cool video about water for the 4H20 water project.
