Today on our first meeting of the year Sevanna our president opened our meeting. Our pledge was led by Ilanna and then our treasurer's report was read by Teryn.

We then introduced our new officers and new club members we got to know one another playing a game.

We then asked our reporter Stephanie to report about our end of the year party . We spent the evening at Sea World going behind the scenes we learned about meals, sanitation, and even transportation, of the animals. We ended in the penguin exhibit where we spent the night.

Next we talked about new business. We voted yes to \$5.00 insurance for the 2008-2009 year.

We ended our meeting on upcoming field trips including Bluebonnet Horse Expo held on October 11, 2008. Sevanna then closed our meeting.
