## **FAFSA -- The Free Application for Federal Student Aid**

This is a required document to be attached to the application. In order to make sure that they get the FAFSA SAR Report back in time, **IT IS IN YOUR BEST INTEREST TO COMPLETE THE FAFSA BEFORE December 31, 2008 using your 2007 tax return information!!!**

If you wait until January 1, then they must use your 2008 tax information which you may not have completed in time to get the FAFSA paperwork submitted and receive the SAR report before the county application deadline!!!

**NOTE:** The Counselors at the schools will be telling the kids that they cannot do their FAFSA until after January 1. That is correct when they are talking about submitting that FAFSA to the college/university so that their Financial Aid can be determined for the 2009-2010 school year.

**BUT** for the purposes of the 4-H Scholarship, you can do the FAFSA NOW with 2007 tax information to get the information that is needed to determine financial need for the 4-H Scholarship ONLY. After your family completes their taxes for 2008, they can then go back in to the FAFSA and update their information that will then be used by the colleges/universities to determine financial need!

**EXCEPTION:** If your family has already completed a FAFSA for 2008-2009 year because you have another family member in college that is receiving financial aid, **DO NOT** go to the website and change the form. If your family is in this situation **YOU MUST** wait until Jan 1, 2009 to complete a **NEW** FAFSA for the 2009-2010 school year.

There are two ways to view and print a Student Aid Report (SAR). Select the option you prefer.

1. [SAR \(HTML version\)](#) - HTML stands for Hypertext Markup Language. A copy of the student's SAR in this format is exactly the same as you would see it in the Web browser page. This option requires only a Web browser. Select this link for [help on printing the HTML SAR](#).
2. [SAR \(PDF version\)](#) - PDF stands for Portable Document Format. A copy of the student's SAR in this format will maintain a similar look (with layouts, fonts and images) to a printed copy sent out by mail. This option requires that you have Adobe Acrobat software installed in your computer. Select this link for [help on printing the PDF SAR](#). Select this link if you do not have [Adobe Acrobat Reader](#) and would like to find out how to obtain it.

## YOUR FINANCIAL AID HISTORY INFORMATION

The information below is the total amount of student loans that you owe. These loans are administered by the U.S. Department of Education (ED). You should confirm that these loan totals are correct. You can use your Federal Student Aid PIN to view details on the individual loans that make up these totals at the National Student Loan Data System (NSLDS) Web site at [www.nsls.ed.gov](http://www.nsls.ed.gov). For more information about your PIN, go to [www.pin.ed.gov](http://www.pin.ed.gov). If you feel that the amounts listed on this page are incorrect, or you have other questions related to a loan, you should contact the loan servicer indicated on the NSLDS Web site. You can obtain general information about each of the types of loans that are listed below by visiting our [studentaid.ed.gov](http://studentaid.ed.gov) Web site.

Note that the 'Subsidized' and 'Unsubsidized' amounts include the appropriate portions of any Consolidation Loans you may have. If there is an amount listed for 'FFEL Unallocated Consolidation Loans' it is because we could not determine whether those balances were subsidized or unsubsidized.

Remember you are responsible for repaying all of the amounts that you borrow, plus interest. As a general rule, with an assumed interest rate of 5%, the monthly payment amount over a ten-year repayment period would be approximately \$10.61 for every \$1,000 that you borrowed. Of course your actual repayment amount will depend upon how much you borrow, the interest rate when you enter repayment, and how long your repayment term is.

## COMMENTS ABOUT YOUR INFORMATION

Based on the information we have on record for you, your EFC is 14441. You are not eligible for a Federal Pell Grant but you may be eligible for other aid. Your school will use your EFC to determine your financial aid eligibility for other federal grants, loans, and work study, and possible funding from your state and school.

Be sure to review the items marked with a h and make any corrections if necessary by selecting the 'Make Corrections' button at the bottom of the page.

You reported that you will either have a bachelor's degree by July 1, 2007 (Item 28) or will be working on a degree beyond a bachelor's degree (Item 49). Graduate students are eligible for most types of federal aid, but generally not the Federal Pell Grant.

If you need to make corrections to your information, select the 'Make Corrections' button at the bottom of the page. You must use your Federal Student Aid PIN to access your record online. If you need additional help with your SAR, contact your school Financial Aid Administrator or the Federal Student Aid Information Center at 1-800-4-FED-AID (1-800-433-3243). If your mailing address or e-mail address changes, you can make the correction online, send in the correction on your SAR, or call 1-800-4-FED-AID and ask a customer service representative to make the change for you.

At this point, the school(s) listed on your application have access to your information. The school(s) may put together or change an aid package based on your Expected Family Contribution and notify you.

The amount of aid you receive from a school will depend on the cost of attendance at that school, your enrollment status (full-time, three-quarter-time, half-time, or less than half-time), Congressional appropriations, and other factors. Review your financial aid notification from the school(s) or contact the Financial Aid Administrator at the school(s).

Note: Your school has the authority to request copies of certain financial documents to verify information you reported on your application.

**WARNING:** If you are convicted of drug distribution or possession, your eligibility for Title IV student financial aid is subject to suspension or termination. If your drug conviction status changes at any time during the 2007-2008 award year, you must update your answer to question 31.
