## Teen Leadership Connection, (TLC)

### Teen Leadership Connection:

Teen Leadership Connection, better known as TLC, in Bexar County is an after school enrichment program managed by TLC master leaders and 4-H volunteer leaders designed to teach youth life skills so that they can become responsible students and individuals in their schools and communities. After school instructions integrate life skills and youth leadership development activities with outside activities such as educational tours, events and field trips related to the TLC curriculum modules. TLC has become a sustainable program in Bexar County and continues to enhance the lives of others.

### TLC Goals and Objectives:

- Improve Self Esteem
- Provide Positive Role Models
- Promote Morals and Values
- Improve School Attendance
- Enhance Cultural Awareness and Diversity
- Improve Academic Achievement
- Promote Team Work and Cooperation
- Deter Violence and Gangs in Schools and Communities

### When Does the Program Begin?

The TLC Annual Program begins in August and runs through May after school each year. The 4-H club sessions are conducted for one-and-a-half to two hours after school once a week or twice a month. The times depend on the TLC volunteers Leaders.

### Who's Involved in TLC?

Trained TLC Volunteer Leaders in 4-H Youth Development Program of the Cooperative Extension Program in Bexar County conduct the TLC 4-H program after school with the TLC 4-H youth participants. Parental support is always welcomed!
