

# FORAGE TESTING CAMPAIGN

**AUG 1 – 31, 2016**

Sponsored by the AgriLife Extension Offices in Bexar & Wilson Counties

Name \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ TX Zip Code \_\_\_\_\_

Telephone \_\_\_\_\_ Email \_\_\_\_\_

Indicate county where sample(s) were collected \_\_\_\_\_

Hay samples will be analyzed at a reduced cost of **\$5.00** each and evaluated for crude protein, ADF, NDF, TDN and an estimate of digestibility.

Samples and payment are due to the Bexar or Wilson County Extension office by  
**Wednesday, Aug 31<sup>st</sup>.**

Results will be available at an educational meeting presented by Dr. Larry Redmon,  
 State Extension Forage Specialist on Tuesday, September 27<sup>th</sup>.

Participants can either attend this program  
 from **2-4 pm** at **Wilson County Extension Office**  
 or from **6-8 pm** at **Bexar County Extension Office.**  
 1 ½ hours of CEU credit will be offered.
