\$10 Per Person

Texas A&M AgriLife Extension Service
3355 Cherry Ridge Dr., Suite 208
San Antonio, TX 78230

Create your own Home Aquaponics to grow plants and vegetables in a water environment along with aquatic fish with Steven Sumrow from Aquaponic Systems USA.

To register, call Angel Torres at 210-467-6575.

Aquaponics Workshop \$75 Per Person

November 20, 2014: 8:30 am—4:00 pm

Prairie View A&M, Carden-Waller
Extension Bldg., 250 E.M. Norris,
Prairie View, TX 77446

This is a great experience to get hands-on experience on Aquaponics. Topics are:

- Demo model of an Aquaponics system
- Water chemistry: fish waste, water quality
- System operation and maintenance
- Cost of start-up
- Fish selection
- Crop selection
- Disease and insect management

Invited speakers include three producers from Cameron, Bay City, and Hockley, TX. The producers will share their experiences with their systems, how they started, and tips on how to operate a productive system. A tour of Sustainable Harvesters farm (Hockley, TX) will follow the program.

\$75 for early registration by 11/11

\$95 for late registration - 11/12—11/19

Space is limited to about 30 participants.
