Cooperative Extension Program

Dear Teachers:

On behalf of the Texas A&M AgriLife Extension Service in Bexar County, we are proud to announce that we will be hosting our **Annual Kids & Kows & More Program** in Bexar County on **November 17th – 19th, 2015**. This year's program is being offered to all elementary schools in Bexar County **FREE OF CHARGE!!**

This program is one of the best visual, classroom enrichment field trips and close up learning experiences for students. The program is geared towards 3rd and 4th grade students to learn about our local agriculture commodities. Our goal is to help students and adults learn, understand, and appreciate where our food and fiber products come from before we purchase them at the grocery store.

Kid & Kows & More will be held at the San Antonio Livestock Exposition (AT&T Center/Freeman Coliseum) grounds on November 17-19, 2015 from 9:30 a.m. – 12:00 noon. We encourage parents/guardians to attend the program as well!

Please register as soon as possible! **DEADLINE for Registration is November 2, 2015**. Participating schools will be accepted on a first come, first serve basis. We ask that you please fill out all contact information on the Teacher Registration Form so that we can stay in touch with you and keep you up to date on the program. If you have any questions, comments or concerns, please feel free to contact me at (210) 467-6575. We look forward to seeing you at our Annual Kids & Kows & More!!!

Please **fax** the Registration Form to _____ or **email to:**
Attn: Natalie Cervantes ntcervantes@ag.tamu.edu
Fax #: (210) 930-1753

This program's lessons are T.E.K.S. aligned!

Thank You,

Natalie Cervantes
