If you completed a Recordbook last year, please bring it for our Recordbook Exchange activity!
A 4-H Recordbook encourages members to keep a recorded collection of educational experiences that focuses on a 4-H member’s project for the year. At the end of the 4-H year their recordbook is reviewed annually by submitting their 4-H Recordbook for judging at the county, district and state level. Not only are 4-H members recognized and awarded for turning in a recordbook, but they also have the benefit of preparing young people for the process of completing quality academic scholarship applications. All 4-H members who are high school seniors can also submit their recordbook as an application for the local Bexar County 4-H Scholarship. Any enrolled 4-H members can complete a recordbook for the year! So why wait? Start your Recordbook today!

If you are a graduating high school senior, please consider attending our 4-H Scholarship Training! Please see the information below:
