Drip irrigation is the most efficient method for home gardeners in utilizing your water system. Come and learn from Dr. Tom Harris, Master Gardener, the basic component parts of a drip irrigation system and see how easy it is to install one.

Do you know how to manage your turf grass during this hot summer and jump into fall and winter seasons? David Rodriguez, County Extension Agent for Bexar County has all right methods and answers for you.

Individuals with disabilities who plan to attend meeting and who may need auxiliary aid, service or accommodation must contact the Bexar County Office at (210) 467-6575 five days prior to the event so that appropriate arrangements can be made

You may pay your registration fee of \$10 in advance or at the door. Make check payable to Texas AgriLife Extension Service.
