

Consumer Decision Making

Get the biggest bang for your buck!

Join us for our Consumer Decision Making Mock Contest!

Bexar County 4-H will be hosting a practice Consumer Decision Making Contest to give members the opportunity to show off their judging skills. 4-H members can participate individually or as a team in this contest. 4-H members study and compare the relative qualities and prices of a set of items to determine which offers the best value for the money (Ex. Blue jeans, CD players, used cars). Each year the items change, but this judging contest teaches members how to be smart consumers and get the most for their money. Attendees will receive training on the Consumer Education project, participate in a mock Consumer Decision Making Contest, and engage in hands on learning. Join us for a day of fun!

WHEN: Saturday, **January 9, 2016** @ 10 AM— 12 PM

WHERE: EFNEP Office @ 8842 Tradeway, San Antonio, TX 78217
