### What is Prime Time?

Prime Time is a co-educational residential camp featuring traditional camp experiences such as kayaking, shooting sports, challenge course, environmental education, arts and crafts, dancing, swimming and lots more. More than just camping, we strive to provide opportunities for young people to:

- Understand self and others.
- Live and work with a small group of peers, cooperatively making decisions that affect the group.
- Experience adventure and challenge not usually found in daily home life.
- Respect and enjoy nature and the outdoors.
- Apply knowledge, skills, and attitudes to real life situations.
- Make new friends.
- Have FUN!
