Special Rules

HILL COUNTRY DISTRICT JUNIOR LIVESTOCK SHOW ASSOCIATION, INCORPORATED

PROTESTS: All protests must be in writing and be accompanied by a deposit of \$250.00 cash, which will be forfeited if the protest is not sustained. Such protest must state plainly the cause of complaint or appeal, and must be delivered to the Livestock Show management immediately at the conclusion of judging. Judging procedures will not be interrupted for protest investigation. Depending on the basis of the protest, a decision may be withheld until complete investigation is done. Protests concerning ages of the animals must be filed with the Livestock Show management two hours prior to the commencement of judging in the department.

ELIGIBILITY OF ANIMALS: Upon reasonable request at any time during the feeding period, each Exhibitor agrees to produce for inspection by the Inspection Committee, his or her exhibits and documentation evidencing his or her ownership. Presentation of such documents shall also be required by the Show officials who receive the animal at the time of its arrival at the show. **ETHICS: THE SHOWING OF ANY ANIMAL THAT HAS BEEN ADMINISTERED ANY QUANTITY OF DIURETIC, UNAPPROVED GROWTH STIMULANT OR OTHER UNAPPROVED MEDICATION, OR THAT HAS NOT BEEN PROPERLY WITHDRAWN FROM APPROVED DRUGS IS PROHIBITED.**

This prohibition applies to all market animal entries, regardless if the animal is entered in the sale and to all breeding entries. "Unapproved" is deemed to mean not approved by the Food and Drug Administration (FDA) and/or the U.S Department of Agriculture (USDA) for that species.

As a condition for participation in the HCDJLS every exhibitor must agree to submit any animal so entered by him or her to inspection by a veterinarian appointed by the HCDJLS, and agrees to have such animal submitted to any tests as may be designated and requested by the veterinarian, and agrees that the conclusions reached by the veterinarian shall be final, without recourse against the HCDJLSA, or any of its officers, directors, or employees.

Also as a condition for participation in the HCDJLS exhibitor (market or breeding) entry will be required to have a certification form signed by: 1.) Junior Exhibitor, 2.) Parent or Guardian, 3.) County Extension Agent or Ag Science Teacher. This certification form must be signed and returned with entry card. No animal will be allowed to show without this certification form properly signed.

The HCDJLSA reserves the right to have blood, tissue, urine, or DNA laboratorial analysis made on any animal entered for competition. All samples shall be taken by persons designated by the HCDJLSA and tested in a laboratory chosen by the HCDJLSA. Reasonable care shall be taken with blood, urine, or other body substances to maintain the purity and identity of the sample. The only chain of custody required will be that routinely relied upon by veterinarians practicing in and around the Kerr County area, or as otherwise designated by the HCDJLSA. The exhibitor agrees that he or she will cooperate with the person or persons charged with the responsibility of taking the sample from the animal. Failure to cooperate with testing procedures, or any doing or failing to do any act which will make it unreasonably difficult for the person with the responsibility of taking the sample shall be deemed a voluntary withdrawal by the exhibitor of the animal from the competition. This will result in forfeiture of placing, premium money, prizes, auction money, scholarships, and the exhibitor will be subject to being barred from future competition at the HCDJLS.

(Continued)

An exhibitor of any market animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or any approved medication within any withdrawal time will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the HCDJLS.

An exhibitor of any breeding animal producing an analysis with any quantity of diuretic, unapproved growth stimulant or other unapproved medication will forfeit all premium money, prizes, auction money, scholarships and will be subject to being barred from future competition at the HCDJLS.

Unapproved Drug Use:

The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical or medication is strictly prohibited. HCDJLSA maintains a ZERO TOLERANCE POLICY for unapproved drug use and unethically fitted livestock. Such drugs include, but are not limited to, any diuretic, any unapproved growth stimulant or other unapproved medication. Unapproved means not approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including that may be destined for human consumption. Abuse of the extra-label privilege by veterinarians is unethical and is subject to serious consequences such as license revocation.

Approved Drug Use:

If an animal has been administered a drug that is FDA approved for its species, sufficient time must have passed so that the animal does not test positive for that drug upon arrival to the grounds. Animals must remain free and clear of all drug and chemical residues while on show grounds. Please note that elimination time (the time it takes for no drug residue to be found in the system) is typically longer than the labeled withdrawal time for most

Consequences: In the event any animal is declared by the veterinarian or testing agency to be unethically fitted or disqualified for any reason the HCDJLSA President will present the case to the Executive Board for evaluation. The exhibitor will likely forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships for all entries if the animal and/or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter. The Executive Board may temporarily decide to permanently bar the exhibitor and his or her family from any further participation in the Hill Country District Stock Show. Reinstatement of anyone barred may be made only by the Executive Board.

Probation: An exhibitor may be placed on a probationary status if results of drug tests are inconclusive, confirmation of a primary test cannot be granted, or another situation questioning the ethical fitting of livestock arises. The probation grants the right for the HCDJLSA to collect ultrasound, D.N.A., blood, tissue and/or urine samples for laboratory analysis on any animal entered by an exhibitor on probation at the exhibitor's expense. An exhibitor may remain on probation for any amount of time and may be released from probation only by the Executive Board.

Unethical Fitting:

Unethical fitting is defined as any attempt to alter an animal's performance or alter the natural contour, conformation, or appearance of the animal's body, hide, hair, or feet by any unnatural means. Examples of unethical fitting include, but are not limited to:

- Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
- Surgical alterations, excluding the removal of warts or horns
- Use of Injections
- Striking the animal to cause swelling in a depressed area
- Use of electrical contrivances
- Feeding of material not conducive to the health of the animal, safety of food or marketability of its carcass

(Continued)

- Blocking of nerves to prevent limping or switching of the tail
- The use of diuretics
- The use of alcoholic or carbonated beverages in the feed or administered as a drench
- The use of alternative treatments including, but not limited to: acupuncture, animal chiropractic services, electrical massage or laser therapy on show grounds

It is the sole responsibility of the exhibitor to insure that the animal is free of the prohibited drugs and substances. Knowledge on the part of the exhibitor with regard to the drugs or substances found in an animal is not relevant to any issue, and it shall not be a defense that a person or persons unknown introduced the prohibited substance into the animal.

If any animal requires emergency or medical treatment while on show grounds, only a show approved licensed veterinarian will be allowed to administer any drug, chemical or food additive with the notification of the Division Superintendent. If an animal is treated by a licensed veterinarian while at the show and the medication administered has a withdrawal time, the animal will be disqualified for sale purposes.

ELIGIBILITY OF EXHIBITORS:

(A) In order to exhibit or sell his/her project, the exhibitor must be academically eligible under UIL or other applicable rules, and the exhibitor must also be eligible to participate in extracurricular activities at the exhibitor's school. An ineligible exhibitor will not be allowed to bring his/her project to the show or participate in the sale.

(B) Quality Counts verification will be required for all youth exhibiting livestock (market and/or breeding) at the Hill Country District Junior Livestock Show. The verification process will require exhibitors to pass an online test that measures their knowledge on quality assurance and character education content items. A verification number will need to be provided at the time of making an official entry to the Hill Country District Junior Livestock Show. Entries will not be accepted without the Quality Counts Verification Number.

NO PASS – NO SHOW – NO SALE.

GROOMING: No change of the major color pattern of the animal by painting or dying will be allowed. Any grooming material that allows color to come off from any animal will not be allowed at the show.

HOUSING OF LIVESTOCK: All animals are to be in their designated areas (barn, shed, or wash rack). Any exceptions must be authorized by the Superintendent.

The Executive Board and the Superintendents of the County Market Animal Departments must approve any transfer between species.

2. If an exhibitor has a county breed division champion or meat goat division champion or a reserve breed champion or a meat goat reserve division champion animal he/she may designate another animal to be sold in its place. The animal which is substituted must be eligible to sell as outlined in County Sale Rule 1. The animal must be from the same department and will be designated as a "substitute" on the auction sale sheet. This rule allows Kerr County exhibitors to be able to take champion animals to other major stock shows. An exhibitor may sell an additional unit, provided it meets District Sale Rule 1 for placing in the District Show.
