QUICK LOCAL ANNOUNCEMENTS!

Please read the following Important Reminders:

1. **2020 Calf Scramble Information:** During each rodeo performance at the stock show, children are encouraged to participate in the “Calf Scramble”. Each major show hosts its own Calf Scramble event. If selected to scramble, you will attend a rodeo performance and attempt to catch a wild calf. If you catch a calf, you will receive a certificate to purchase an animal which you will then exhibit the following year. REMINDER: You are **not** eligible to scramble at a show where you have previously caught a calf. You must be enrolled in 4-H for the 2019-2020 year. You must also be academically eligible at the time of your Calf Scramble. If you are interested in participating in any of the major calf scrambles, complete the calf scramble form available below for each unique show you wish to participate and return to our office. You **MUST** bring the original copy (not photocopy) with original signatures to our office to enter the Scramble. You are also welcome to mail your forms to our office: Attn: Patricia Valdillez, 3355 Cherry Ridge Drive, S-212, San Antonio, Texas 78230.

ALL FORMS MUST BE PHYSICALLY IN OUR OFFICE BY FRIDAY OCTOBER 25, 2019 by 5 PM.

ALL MAJOR SHOW ENTRIES

DUE NOV. 8, 2019

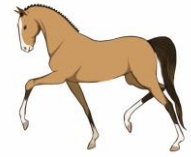

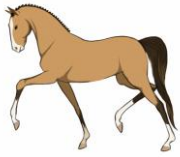

* **Academic Eligibility Reminder** – Reminder to all members for the new 4-H year that all competitive stock show events will **require academic eligibility forms to be completed by 4-H members**. Even if the events take place on weekends, UIL rules state, you must be academically eligible to participate in extracurricular activities. It is your responsibility to follow through and take the form to your school for them to check if you are academically eligible to participate in the event. **Due date to return the form to our office will ALWAYS be at the top of the form.** You are responsible for accounting for the days you are absent from school. The 10-day absence limitation is clearly defined in the UIL Rules - Texas Administrative Code 97.113. It is imperative that you be aware of and adhere to the requirements.

Scheduling Project Visits

Sam is available and happy to assist families with their animal projects if they have questions or need help. Sam would like to see as many projects as possible before show season. Please give Sam a call (210.631.0400) to get your project visit scheduled. Additionally you may also reach him at Sam.Womble@ag.tamu.edu

Quality Counts

- **Information:** This is a reminder that Quality Counts verification is **required for all major livestock show entries this year, including State Fair of Texas and Heart 'O Texas Fair**. This verification needs to be completed *prior* to livestock show *entry*. County and local shows may also require Quality Counts completion, so be sure to check show rules. There are some very important updates and reminders below that will affect the verification process for your exhibitors, so please read carefully. Also please check out our [FAQ sheet here](#) for more answers!
- ***Important:** There are [NEW ENROLLMENT INSTRUCTIONS LOCATED HERE](#). These are different than the ones distributed last year, so please discard any previous instructions and use the attached. You can always point exhibitors here for more info: <https://texasyouthlivestock.com/quality-counts/> Note: These new instructions **will not affect** any exhibitors who have previously completed or are currently working on the curriculum/exam.
- ***Important:** Please always encourage your livestock exhibitor families to use **Mozilla Firefox™** internet when completing the Quality Counts curriculum and exam. This program is best suited for our system and will ensure a smooth experience.
- ***Important:** New this year, we have a helpdesk in place to help assist with any technical concerns regarding the Quality Counts curriculum site. These folks are prepared to help with computer/system related problems, such as potential glitches in the course users may experience. They can also help with passwords and other login information. They can be reached here: learnonline@ag.tamu.edu
- ***Important:** Exhibitors only need to be verified **once** as a Junior (grades 3-5), **once** as an Intermediate (grades 6-8), and **once** as a Senior (grades 9-12). **Exhibitors do NOT have to complete the curriculum/exam every year.**
- Based on feedback from last year Quality Counts is now hosted on a new curriculum platform that should serve more appealing for exhibitors and their families. This includes some things like: improved junior content that is more suitable to this audience, a reduced registration process, and enhanced learner experience features. **Because of this, even if a user created an account last year and are enrolling in a new grade category, they will need to create a new account. This is because we transitioned websites for improvements.**

San Antonio Cactus & Xerophyte Society Annual Show & Sale

Information: Do you enjoy growing cactus or succulents? If so, the San Antonio Cactus and Xerophyte Society will be hosting their Annual Show & Sale on **April 23 – 25, 2020** from 9:00 am – 5:00 m each day. During the event there will be vendors selling cactus and succulents, raffles, auctions, Fiesta medal sales, live demonstrations, Kid Zone activities for children, and judged Educational Displays.

The Educational Displays for the youth division will contain entries from members of youth organizations such as 4-H and any other interested youth less than 18 years of age. The entries will be judged by a Master Gardener based on content, attractiveness, and ability to engage visitors. Cash prizes will be awarded to first and second place winners. (*Cash amount TBD*) Set-up is on April 22 at the SA Garden Center and displays should be removed between 5 – 6 pm on April 25. The display may use a 3 ft. or 6 ft. space and must be educational. Printed materials containing appropriate information must be used. Live plants are optional, but if not used, models or pictures could be used in their place. **The display must contain educational information about cactus, succulents, or xerophytic plants. Make sure that your focus is on these groups of plants.**

Topics may include:

- General information about cactus or succulents or xerophytes
- General information about a particular type of plant
- Comparison and contrast of these plants to other plants such as leafy plants
- Adaptations of these plants to dry habitats
- Experiments done with any of these types of plants
- How to grow healthy succulent plants
- A study of one particular genus of cactus or succulents
- Uses of these plants by people or animals
- Other related topics

Please contact Barbara Schulze, barbaraschulze@yahoo.com if you are interested in participating or have any questions. We need to have confirmation of participation no later than **Dec. 31, 2019**. Our society would love to have more youth participation in this part of our Show & Sale. We hope you will join us! [SEE FLYER!](#)
