CONGRATULATIONS to our NATIONAL Award Winner!

Texas 4-H is thrilled to announce one of our own Texas 4-H youth was named the National 4-H Youth in Action Healthy Living Pillar Winner. In an extremely competitive base of applicants, **Micah Palacios**, rose to the top. At just nine years old, Micah Palacios was diagnosed with Alopecia Areata, an autoimmune disease that attacked her hair follicles. Before her 10th birthday, she lost 75% of her hair and, most importantly, lost her self-confidence, leading to anxiety and depression. But the older 4-H'ers in her club built her confidence by assuring her that despite her hair loss, she was no different than anyone else. In 4-H, Micah learned to embellish hats, scarves and bandanas that covered her hair and helped her relieve stress in a healthy way.

She also learned about proper nutrition and how to eat a well-balanced diet to improve her energy. These experiences motivated Micah to lead the 4-H food & nutrition and health projects in her community, but she sensed something was missing. After taking a National Alliance on Mental Illness class, she started to make changes in the way she interacted with others. Now, she has launched the Navigating Your Thoughts program for Bexar County 4-H Clubs and military base programs, with the goal of reducing mental health stigma. Micah is a senior in high school and hopes to pursue a career in public health. Please join us in congratulation Micah on this great accomplishment!

[Want to learn more about how YOU can apply?](#)
