# COVID-19 Update from Bexar 4-H

Howdy 4-H Family,

As I'm sure you're all aware, our nation and state are currently navigating difficult waters regarding the spread of COVID-19 (<https://texashelp.tamu.edu/coronavirus-information-resources/>). We are taking guidance at this time from our agency, local government, and federal government on how best to advise our groups to mitigate the probabilities of infection and further spread of the virus. **Please read the following recommendations regarding public gatherings/social distancing, and best hygiene practices.** We know you all have been made aware of this information, but we'd like to emphasize the importance of these practices so we can hopefully return to a normal state of operation in the near future.

**1. The following actions are being taken regarding educational programs and face to face meetings:**

- a. All AgriLife face-to-face meetings have been cancelled at this time. This status will be reviewed based on the statewide public health disaster declaration made by the Governor.
- b. Currently, we are implementing a telecommuting solution to minimize as much person to person contact as possible. We can be reached during normal office hours at 210-631-0400. **\*We will soon be moving to a 75% staffing capacity after May 31<sup>st</sup>. Please continue to call/schedule appointments with appropriate agents for a face to face visit.**

**CURRENT POLICY ON 4-H CLUB MEETINGS:** Regular Face-to-Face meetings can resume! We encourage all our clubs to carry out safety measures during their meetings. See next page for suggested guidelines.

**2. The following CDC information relates to how COVID-19 is spread:**

- The virus is thought to spread mainly from person-to-person.
  - Between people who are in close contact with one another (within about 6 feet).
  - Through respiratory droplets produced when an infected person coughs or sneezes.

Some spread might be possible before people show symptoms; there have been reports of this occurring with this new coronavirus, but this is not thought to be the main way the virus spreads.

• **Spread from contact with contaminated surfaces or objects:**

It may be possible that a person can get COVID-19 by touching a surface or object that has the virus on it and then touching their own mouth, nose, or possibly their eyes, but this is not thought to be the main way the virus spreads.

**3. The following CDC information relates to how to mitigate infection of COVID-19:**

CDC always recommends **everyday preventive actions** to help prevent the spread of respiratory diseases, including:

- Avoid close contact with people who are sick and stay home if you are feeling sick.
- Avoid touching your eyes, nose, and mouth.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.

# Guidelines for Conducting Adult and 4-H Meetings

Howdy Bexar County 4-H,

With all the new changes and progression towards opening we would like to thank you all for doing your best to keep our members and families safe. We are currently in the process of opening to a 75% staffing capacity after May 31<sup>st</sup> and Extension personnel may begin conducting face to face programming. ***Please let us know how we can assist in your trainings!***

**4-H Clubs can continue meeting.** Due to many changes, we still encourage all of you to take necessary precautions when meeting! If you ever have any questions or need guidance in this area please do not hesitate to contact me at [ntcervantes@ag.tamu.edu](mailto:ntcervantes@ag.tamu.edu) OR 210-857-9285.

We are still be asked to continue using the **COVID-19 Screening Letter and Waiver Form.** We do **NOT** require that you have a waiver form for every club meeting, however when members sign it at each meeting, they must acknowledge that they are agreeing to the previously signed WAIVER FORM. However, if you are holding a non-club meeting (separate project meeting, special event/training) you must acquire your own copy of the Screening Letter/Waiver. Again, we wish everyone a safe, healthy and successful year!

## Texas 4-H Club Chartering Documents RELEASED for 2021-2022- Deadline June 25<sup>th</sup>

Linked is the [2021-2022 Chartering Packet](#) which includes the necessary documents needed to charter a 4-H club for the 2021-2022 4-H Year. The documents are also located online at: <https://texas4-h.tamu.edu/management/>. Items to note include:

- 2021-2022 Texas 4-H Chartering Instructions – Contains all instructions and resources. **Please note the timeline and important deadlines!**
- 2021-2022 Charter Agreement
- [Sample Bylaws](#) (Word Doc): The **sample bylaws are developed to serve as a guide** for clubs/groups to use in bylaw development and/or revision. Chartered clubs/groups have flexibility with their bylaws; however, [the items in bold in the sample set are required to be in the all bylaws](#). When you review the sample bylaws, you will notice **LESS bolded/required items**. This does not mean you have to change your bylaws, as long as they meet the minimum requirements, which they should if they were in compliance last year. Club/group bylaws may also not conflict with the Texas 4-H Rules and Guidelines and/or the charter agreement.
- 2020-2021 Financial Review Form: Will not apply to you since you do not have a bank account at this time.
- Charter Worksheet for Club/Group Managers to complete and use to fill out information in 4-H CONNECT - This form is simply a worksheet and **should not be uploaded**.
- 4-H CONNECT Chartering Instructional Video: Shows step-by-step instructions on how to charter.
- Instructions on how to check the status of your charter after submission.
- Questions? Email [ntcervantes@ag.tamu.edu](mailto:ntcervantes@ag.tamu.edu)

## **Lego Mindstorm EV3 being DISCONTINUED – June 30, 2021**

**Information:** Lego has officially declared the discontinuation of the Mindstorm EV3 kit.

**What does this mean for Texas 4-H?**

- If you want to purchase an EV3 kit or spare parts, I recommend you do that ASAP. U.S. sales will continue until June 30, 2021, depending on stock availability.
- We will continue to use EV3 kits in our 4-H contests for years to come. If you already have EV3 kits, no worries. Keep using those.
- We will evaluate the newer Lego robot kits and update everyone once any decisions or rule changes to our 4-H contests have been made.
- This WILL NOT impact this year's Robotics Challenge at Texas 4-H Roundup. We will proceed with the current published rules for Roundup 2020-21.
- At some point, this will likely impact future AgRobotics contests held at major stock shows. Watch for any equipment rule changes when those are published by each respective show next season. We will likely continue with EV3's at those contests for a number of years, but may also add the newer kits.

## **STEM Leader Resources & Opportunities**

4-H has been leading STEM education long before STEM was considered cool. Whether we realize it or not, all of our 4-H projects involve some degree of STEM. To help us in that regard, Texas 4-H has outlined some leader development opportunities below you might be interested in attending/joining. I have also [attached a document](#) providing a sampling of project-specific "STEM Abilities". Each ability can serve as the foundation/theme of a lesson.

**Facebook Groups:** After joining, check out the **Files** section on their page (may have to click on the More dropdown list) for lessons, handouts, PPTs, etc.

## District/State Contest Reimbursement Form

- **Information:** The Bexar 4-H Council has money set aside to reimburse for selected District and State events to encourage participation and help ease the financial burden for active 4-H families. The money reimbursed will need to be requested from our office; no longer automatically mailed. See details below:
- **How:** Please fill out and return the [Reimbursement Form](#) to [ntcervantes@ag.tamu.edu](mailto:ntcervantes@ag.tamu.edu)

## Texas 4-H Roundup: Registration Instructions & Guidelines

For a list of all Roundup Contest Information: Please see [Roundup Website](#)

We wanted to remind everyone that Registration for Texas 4-H Roundup opened this **Saturday, May 1<sup>st</sup>. It will close on May 12<sup>th</sup>**. We will have a small window for late registrations at an increased rate.

- The Texas 4-H Roundup Registration information is now posted in our [2021 Roundup Registration Packet](#)
- This year as part of registration, we will be requiring a signed Health Statement in [4HOnline](#) (Click [HERE](#) for instructions on how to register for an event). Before you submit registrations, be sure this document has been properly signed by a parent/guardian. We will also require that members upload a signed copy of the HSS Health & Safety Statement. [Download HSS \(Health Safety Statement\)](#) – **Required for Online Registration**
- This year **ONLY YOUTH** will be required to register for Texas 4-H Roundup. However, **all youth must be accompanied by an adult.**
- Since this year's event will primarily focused on contest, youth will **check in and check out** each day from their contest location. Upon check out, they will be in the care of their parent/guardian or chaperone.
- **As a reminder this year's event is open to only SENIOR level 4-H members (9<sup>th</sup> – 12<sup>th</sup> graders as of 9/1/2020).** We realize some of the contest specific rules and guidelines may still reflect Intermediate information regarding the contest opportunities, however the Texas 4-H Guide changes made in February noting NO INTERMEDIATES oversees all contest rules. Sorry for any confusion this may have caused our 4-H members.

## 2020-2021 Record Book, Awards, Ambassador Updates

- The District will offer the following **28 classes in Divisions that make up the Qualifying Show**. *A 4-Her must show in at least one class in a Division in order to 'qualify' for the State 4-H Horse Show in that particular division. A futurity project horse must be shown at District in order to qualify for a futurity division at the State Show.* Be sure to review the entire packet to see how the divisions are grouped and many more details on all the changes.

## 2021 4-H Virtual Crappie Fishing Skill-A-Thon:

### What is a Skill-a-thon?

The Virtual Crappie Skill-a-thon is comprised of two parts:

1. **Learn and Earn Educational Opportunities** – to provide information in which youth participants and adults can gain knowledge on fishing tips and techniques, healthy cooking with fish, safety situations, laws and regulations, and trivia fun. These opportunities will be posted on the 2021 4-H Fishing Facebook page. No fee to participate.
2. **Fishing and Wishing to Win Tournament** – scheduled dates for youth to fish at their location with the chance of winning weekly and overall tournament awards and prizes based upon fish length. See entry fees below for participation.

### Participation Requirements

- Be enrolled in 4-H as a youth member or Clover Kid for the 2020-2021 year.
- Join the 2021 4-H Fishing Facebook page by clicking [here](#) or going to <https://www.facebook.com/groups/1202432833284039/> Youth may use an adult's Facebook account to join and participate. Please see contest [FLYER](#) and [CONTEST GUIDELINES!](#)

**COVID-19 Related CHANGES** - We have created a document titled **Expectations 2021 Texas 4-H Roundup** which has been posted to our Texas 4-H Roundup webpage at <https://texas4-h.tamu.edu/events/roundup/>

To host primary aspects of Texas 4-H Roundup in 2021, the Texas 4-H Youth Development program has made the decision that **we will not be able to offer Intermediate contest opportunities this year**. While this was a tough decision to make, we felt that because of the limitations regarding facilities and capacity due to Covid-19 social distancing restrictions, we needed to focus our efforts on opportunities for our Senior level (9th – 12th grade) 4-H members.

- **Masks will be required to be worn while at the event.** This includes even when outside where 6 feet of physical distancing is difficult to maintain.
- **Expect our contest days to be longer** as we work to spread out the number of youth together in one location at a time. We anticipate added heats for larger contest.
- **At this time, no adjustments have been made to the contest dates as posted in August** under the Schedule of Events. Our goal is to keep the contest dates the same, but should there need to be a change, we will communicate that asap. 4-H members can still only compete in one contest per day.
- Expect only contestants and contest officials to be allowed in the contest areas, **no spectators.**
- **At this time will not be hosting a traditional assembly.** We are working on ways to virtually recognize our 4-H members for their successes during the week.
- **Post assembly activities such as the kick-off event, dance and concert are not scheduled at this time.** We are working with city officials regarding activities which would be hosted by local venues for our 4-H members (limited capacity). There would be multiple opportunities each evening throughout Bryan/College Station for our 4-H members such as specials as Grand Station, activities at Century Square, downtown Bryan, etc. We will continue to work with the local community to provide opportunities for our 4-H members and families who will be visiting the area that week.

### **Texas 4-H ROUNDUP CONTEST SPECIFIC CHANGES**

- Range & Pasture Grass Identification will now be held on Tuesday, June 8th with the Range Evaluation contest remaining on Wednesday, June 9th.
- Public Speaking - The time limit has been increased from 7 to 8 minutes, keeping 5 minutes as the minimum.
