The Saddle Light Center

[The Saddle Light Center for Therapeutic Horsemanship](#) is offering a volunteer service program at The Saddle Light Center. They offer professional equine therapy – hippotherapy and therapeutic horseback riding – to the disabled population of the San Antonio area to improve both their self-esteem and quality.

As a volunteer for The Saddle Light Center, you would be the backbone of their program. They not only help with the physical need for horse leaders but provide the riders with the best learning and therapy environment - as their friends, role models, and an extension of the instructor. Most importantly, volunteers provide the safety needed to conduct a program such as this. The Saddle Light Center relies on the participation of dedicated volunteers to help facilitate daily lessons in a safe and supportive environment. Each of our riders requires the assistance of one to three volunteers in order to achieve their goals. In addition to lesson/therapy session volunteers, they need people to work “behind the scenes” helping with facility maintenance and barn chores on the weekends. You can find further details on our volunteer requirements and schedule [HERE](#). They host monthly volunteer trainings. **Next training is March 26th.**

For each bag of Bob Tallman's Authentic Cowboy Jerky sold your county will receive \$4 directly back into your county's account. REGISTRATION AND FEES

All registration for the 2022 Texas 4-H Roundup will be conducted on the Texas 4HOnline system. It is the responsibility of the 4-H members and their parent to ensure they are registered for Texas 4-H Roundup on time, correctly, and the registration has been accepted.

Everyone attending Texas 4-H Roundup will have to be a paid, registered attendee.

POTENTIAL CHANGES Contest registration fees may vary based on the contest. Rather than a week-long pass fee for all contestants, we are reviewing the potential of each contest having a specific fee associated with them. Some contest may be higher based on the cost associated with facilitating that contest. We will communicate this information early Spring once we have a better idea of our fundraising efforts.

Like in 2019, LEAD Academy will have a separate fee associated with participation in that event.

We are reviewing our fees associated with non-contestant youth, scholars who are not competing in a contest during the week and adults for our 2022 event as well.

The general refund policy for 4HOnline is that no refunds are provided to a 4-H member or family once the registration is approved. In extreme circumstances, such as death in immediate family, severe illness/accident, or cancellation of an event, refunds will be provided, minus any expenses already incurred by the event/activity.
