Prairie View A&M 4-H Goat Give-Away [\(FLYER\)](#)

It is officially the Prairie View A&M 4-H Goat Give-Away season, and the Goat Give-Away committee would like to share an opportunity to expand your youth agricultural program. The 4-H Goat Kid Giveaway Program has promoted dairy goats as a 4-H project since 1987. There has been an additional option for meat goats (contingent on the meat goat breeder being willing to donate the meat goats). **Applications are open April 5th-April 15th**. The committee will judge the applications by looking for evidence that the applicant has the resources and knowledge to properly take care of the goat and show commitment to furthering their goat and overall 4-H involvement. Applicants do not need to have previously raised goats to enter this program. Dairy goats will be ready the second week in May. For those wanting meat goats, once the committee gets the number of meat goats requested, we will work with the breeder to see if he is still willing to donate this year. The delivery timeline of the meat goats will depend on the breeder's schedule. The committee will inform the youth of their acceptance in the give-away by April 30th. [Click here to register](#)

The Saddle Light Center

[The Saddle Light Center for Therapeutic Horsemanship](#) is offering a volunteer service program at The Saddle Light Center. They offer professional equine therapy – hippotherapy and therapeutic horseback riding – to the disabled population of the San Antonio area to improve both their self-esteem and quality. As a volunteer for The Saddle Light Center, you would be the backbone of their program. They not only help with the physical need for horse leaders but provide the riders with the best learning and therapy environment - as their friends, role models, and an extension of the instructor.

Most importantly, volunteers provide the safety needed to conduct a program such as this. The Saddle Light Center relies on the participation of dedicated volunteers to help facilitate daily lessons in a safe and supportive environment. Each of our riders requires the assistance of one to three volunteers in order to achieve their goals. In addition to lesson/therapy session volunteers, they need people to work “behind the scenes” helping with facility maintenance and barn chores on the weekends. You can find further details on our volunteer requirements and schedule [HERE](#).

They host monthly volunteer trainings. **Next training is April 23.**

Please email the volunteer coordinator, Rebecca Hollington: volcoor@sbcglobal.net

Please review the important documents linked below to review the process for applying for a County Council Leadership position. New Council officers will begin their term of office for the new 2022-2023 4-H Year starting on Sept. 1, 2022.

IMPORTANT DOCUMENTS:

1. [Bexar County Council Officer Responsibilities](#): Outlines what each officer is responsible for on the Council so members can prepare for their campaign speech and select which positions you'd like to run for.

3. [County Council Application 22-23](#): Interested 4-H members must turn in this application PRIOR to the election night so that you can be approved by the office before elections.

All members who plan to run for office will need to complete ONE campaign speech (3-5 mins MAX) in which you outline: why you want to serve on Council, what experiences qualify you for the position(s) you are seeking on Council, and any ideas you would like to share. You are welcome to bring a campaign poster to the meeting to display as well. Please do not bring incentives/giveaways for your campaign. All campaign materials should be for viewing and not distribution. You may NOT run on behalf of another member, and all interested members should be PHYSICALLY present to run, no virtual speeches. NEW Club Chartering Process & Instructions – DEADLINE June 21, 2022

Charters should be due to the Bexar County 4-H Office

ALL 4-H Clubs Must Have:

- **Charter Application Worksheet** for Club/Group Managers to complete and use to fill out information in 4HOnline - This form is simply a worksheet and **should not be uploaded** as part of the chartering process.
- **2022-2023 Charter Agreement (Must be signed by CEA/CED)**
- **Bylaws:** The **sample bylaws are developed to serve as a guide** for clubs/groups to use in bylaw development and/or revision. **Chartered clubs/groups have flexibility with their bylaws; however, the items in bold in the sample set are required to be in all bylaws.** When you review the sample bylaws, you will notice **fewer bolded/required items**. This does not mean you have to change your bylaws, as long as they meet the minimum requirements, which they should if they were in compliance last year. Club/group bylaws may also not conflict with the Texas 4-H Rules and Guidelines and/or the charter agreement.

ONLY CLUBS with a 4-H BANK ACCOUNT MUST HAVE:

- **2021-2022 Financial Review Form & Asset List**
- **One Copy of Previous Bank Statement for each account:** Bank statements uploaded as part of the chartering packet should **not include copies of canceled checks**. This is for security of the club/group account(s).

Some things to be aware of: The Club name MUST match what we have file in our current system to a TEE. If they alter the name/abbreviate or change up their name in any of the documents above, it will be rejected. Please double, and triple check that the signatures of reviewers on the Financial review form are NOT club members of the club. They must be outside parties who sign that form.

REGISTRATION AND FEES

All registration for the 2022 Texas 4-H Roundup will be conducted on the Texas 4HOnline system. It is the responsibility of the 4-H members and their parent to ensure they are registered for Texas 4-H Roundup on time, correctly, and the registration has been accepted.

Everyone attending Texas 4-H Roundup will have to be a paid, registered attendee.

POTENTIAL CHANGES Contest registration fees may vary based on the contest. Rather than a week-long pass fee for all contestants, we are reviewing the potential of each contest having a specific fee associated with them. Some contest may be higher based on the cost associated with facilitating that contest. We will communicate this information early Spring once we have a better idea of our fundraising efforts.

Like in 2019, LEAD Academy will have a separate fee associated with participation in that event.

We are reviewing our fees associated with non-contestant youth, scholars who are not competing in a contest during the week and adults for our 2022 event as well.

The general refund policy for 4HOnline is that no refunds are provided to a 4-H member or family once the registration is approved. In extreme circumstances, such as death in immediate family, severe illness/accident, or cancellation of an event, refunds will be provided, minus any expenses already incurred by the event/activity.

DEADLINE APRIL 25, 2022

2022 Spring Round-up Photography Judging Contest – June 6, 2022

At Roundup 2022, we will hold the photography judging contest on June 6, 2022 and run the contest like it has been in the past. Location and start time will be released in May as part of the official Roundup schedule. For the 2022 event, youth will still judge 8 classes and only place those classes or answer questions about them. We will not do a reasons contest for the official placings of the photography judging contest. Immediately after the official contest has concluded, we will hold an oral reasons clinic for all participants, agents, and families to attend. We expect and encourage all who participate in the judging contest to stay for the clinic as the 2023 Roundup contest WILL take into account reasons scores for the overall placings. The clinic will introduce the new portion of the contest and offer an opportunity to practice at the end of the clinic. We will discuss how the oral reasons portion will work in the future, and give guidance on how to properly present a set of Photography Judging oral reasons. We will have a small practice contest at the end of the clinic for the youth to put that new knowledge to the test. **We are adding oral reasons to the Photography Judging contest at Texas 4-H Roundup. THE REASONS SCORES WILL NOT BE PART OF THE OFFICIAL CONTEST FOR OFFICIAL ROUNDUP PLACING AT THE 2022 EVENT.**
