59th Annual Texas State 4-H Horse Show – DEADLINE July 1st

Howdy! We'd like to formally invite you to join us at the 59th Annual [Texas State 4-H Horse Show](#) July 24th-29th at the Brazos County Expo in Bryan, TX. As many of you know, the state show is only possible by the dedicated efforts of MANY people and we hope that you will consider helping this year on our management team! No experience is necessary and we invite you to join us for any length of time, one day or the whole week. To organize the show's management team, please fill in the [Google sheet](#) by **July 1st** (the sooner the better for planning purposes) if you would like to join us. Based on your responses, I will then be sharing more details, including class committee assignments and lodging details. Hotel accommodations and lunches are covered by the show for management team members.

For state show rules and regulations, a schedule of events, hotel information, and other helpful resources, please visit <https://texas4-h.tamu.edu/events/horse/>. Families will have the option to purchase t-shirts through marketplace for the state show. Shirts can be pre-purchased and will be available for pick-up during the show. More details regarding the show and t-shirt ordering will be coming in the next few weeks.

State 4-H Horse Show Sponsorship Opportunities (FLYER)

The State 4-H Horse Show has been showcasing young horsemen's talent and hard work since 1963. Each year in July, over 350 4-H'ers and their families come together from across Texas for a weeklong horse show of fun. We need sponsors like you to help support this effort to ensure the growth of this great show and afford this opportunity to Texas youth for years to come. We greatly appreciate your generosity and would like to offer some recognition for you as well. Please see the attached letter about what the Texas State 4-H Horse Show can offer you in exchange for your support. Learn more via the attached document.

Hunting & Wildlife, Muzzleloading, Pistol & Rifle Events – July 10-15, 2022; Austin Rifle Club, Manor TX

Archery Events – July 18-23, 2022; National Shooting Complex, San Antonio, TX

Shotgun Events – July 19-23, 2022; National Shooting Complex, San Antonio, TX

The annual Texas 4-H Shooting Sports State Games does not require qualification for any of the events. Each participant is required to have a thorough understanding of the events rules and courses of fire, the range procedures, and the safety rules and procedures for each event in which they register. All participants must be currently enrolled 4-H members within a county 4-H Shooting Sports project. One 4-H certified coach must be enrolled on 4-H Connect, currently coaching in the county project, and certified for each shooting discipline for which a 4-H member is registering. Disciplines include archery, hunting, muzzleloading, pistol, rifle, and shotgun. For example, a 4-H member cannot participate in the State Games Archery events unless that member is currently active in a 4-H Archery project with an active 4-H Archery Coach. This certified coach requirement could be covered by multiple volunteer 4-H coaches or one.

NASA HEAT (Heliophysics Education Activation Team) (FLYER)

On behalf of Maryland 4-H, I wanted to share a virtual professional development opportunity currently open for 4-H educators nationwide, being offered from NASA-Goddard's Heliophysics division and HEAT (Heliophysics Education Activation Team). The "4-H & NASA" series is a new youth STEM initiative being piloted (virtually) in Maryland to offer new experiences for 4-H youth that better connects them with NASA missions, careers, and STEM priorities. The program's flyer is attached, with the link to the Jotform to sign up following: <https://go.umd.edu/NASA4H>

The pilot run of the youth program will start on June 21st, running Tuesdays and Thursdays 1-3pm EST through July 7th. Educators interested in being trained by NASA HEAT are expected to attend at least 3 of the youth sessions, attend at least 8 hours of training by NASA at times TBD depending on attendees' schedules this summer, then plan to implement at least one NASA HEAT club or event in their region (virtually or in-person) in the Fall of 2022 and/or through Spring of 2023, with data collected to be shared with NASA. Training times are flexible and can be scheduled to meet the needs of participants.

2022 STEM Educator Academy – July 6th

The 2022 STEM Educator Academy will be held on July 6th at the AgriLife Complex on the Texas A&M University Campus. Junior Master Photographer & Photography Ambassador Program

Full details about these two youth leadership programs will come out later in the summer. However, training dates for JMP workshops have been set and you are encouraged to promote these to members. **JMP Workshop 1 – September 24th. JMP Workshop 2 – December 3rd. Both workshops will be held in Dallas.** To become a Photography Ambassador, youth must first complete both JMP workshops, which are only offered once a year. If youth came to workshop 1 in a previous year, but missed workshop 2, they only have to come back for the latter. Regardless of prior knowledge and skills, this is the only pathway to becoming an ambassador. Until summer, you can view more information about these two programs in the leadership section here: <https://texas4-h.tamu.edu/projects/photography-video/>

States' 4-H Summer Hosting (FLYER)

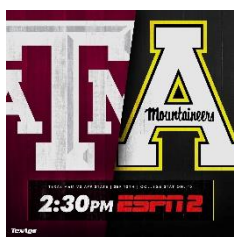

Host an international youth delegate and bring the richness of the world to your home! Host an International Youth in Summer 2022 through States' 4-H International. Hosting will take place in July and August 2022. The PDF attached explains more details about the program, or find more at <https://www.states4hexchange.org/state-contacts/>.

Ignite the Spark

Please join us for the *Ignite the Spark professional development series about volunteerism*. Here is the registration link: <https://bit.ly/S4HVolEngage>. You can attend one or all sessions. The topics will build upon one another, but you can select which sessions you'd like to attend. They will be recorded for later viewing. The 4-H Volunteer Specialists of the Southern Region have collaborated to develop a 2022 Volunteer Engagement Professional Development series. This would be a wonderful opportunity to "sharpen your saw" as an agent, program assistant, or specialist. We hope you will join us in the excellent professional development series! Series dates are May 19th, Aug. 18th, Sept. 15th and Oct. 20th.

4-H Day in Aggieland 2022 – September 10th

Mark your calendars for 4-H Day in Aggieland 2022!
