

National 4-H Conference - April 19-24, 2024

WHAT IS NATIONAL 4-H CONFERENCE?

National 4-H Conference is the Secretary of Agriculture's premier youth development opportunity to engage youth in developing recommendations for the 4-H Youth Development Program. If you want to strengthen your leadership and/or citizenship projects, this is an excellent opportunity.

National 4-H Conference is a working conference in which youth and adults--at the invitation of the Secretary of Agriculture--assist in the development of recommendations to help guide 4-H Youth Development Programs nationally and in their communities. This event brings together youth, volunteer leaders, and state and county Extension staff members from across the United States, the U.S. Territories, and the Canadian Provinces.

As the sponsor for this conference, the National 4-H Headquarters--located within Families, 4-H, and Nutrition at the U.S. Department of Agriculture's (USDA's) National Institute of Food and Agriculture (NIFA) --is charged with sharing the recommendations that emerge from the conference with the Secretary of Agriculture, national Extension Program Leaders, and others who determine 4-H programs. Each delegate chooses an important societal topic to discuss in a roundtable situation with other delegates. From the roundtable discussion, the groups prepare a briefing to present to federal stakeholders. This experiential approach ensures that the conference is a meaningful experience for the youth and adult participants. Social activities in the evening, tours of Monuments and Museums and cultural entertainment round out the conference.
