

Private Applicator Training

Texas A&M AgriLife Extension Service, Bexar County and Texas Department of Agriculture are offering certification and recertification training for private pesticide applicators. The purpose of this training is to obtain a Private Applicator License from Texas Department of Agriculture. This license will enable the applicator to purchase and apply state limited use and federally restricted chemicals on his land or land he has control of for the purpose of production of agricultural commodities. All farm and ranch operators who do not have a Private Applicator's License to purchase "**restricted use**" pesticides **will need** to attend this training.

When: June 5, 2024 (Wednesday)
Time: 8:00 a.m. - 12:00 p.m.
Where: Texas A&M AgriLife Extension Service
3355 Cherry Ridge, Suite 208
San Antonio, TX 78230-4818

The cost is \$60 per person, which includes the training and study materials. Study materials will be available the day of training. Payment can be made by cash or check. Make check payable to Texas A&M AgriLife Extension Service.

If you are interested in obtaining a Private Pesticide Applicator license, please contact Kennedy Green at (210) 631-0400 or email kennedy.green@ag.tamu.edu to RSVP.
