**Sea World 4-H Marine Biology Camp (FLYER) (REGISTRATION)**

The Texas 4-H Center has partnered with SeaWorld - San Antonio to offer the first-ever Texas 4-H Center Marine Biology Camp! This 5-day/ 4-night camp on the SeaWorld Campus will allow campers to explore different perspectives and their own personal limitations through unique experiences as they broaden their knowledge of ecology. Join the fun and inspire a passion and joy for the natural world through experiential learning, human and animal interactions, and self-discovery. Get your feet wet with this NEW 4-H Camp!

**CLOVER by 4-H x Google Activities (ACTIVITY)**

CLOVER by 4-H recently released three new activities, designed by the University of Georgia Extension and brought to you by Google, focused on educating youth about computer science with the help of Scratch. Scratch is a visual programming language designed to teach programming concepts fun and intuitively by allowing users to create animations, games, and interactive stories.

Youth are invited to complete the three activities, which are:

- Introducing Commands — an introduction to basic coding and using commands in Scratch. Explore the simple commands of "move" and "turn" by coding a graphic to complete a maze.
- Jumping Sprite — Introducing Functions — create a simple jumping game in Scratch to explore how functions are used.
- "Say My Name" Introducing Variables — an introduction to coding with variables in Scratch. During this activity, you will tell a story using code.

National 4-H Index Needs YOU!
National 4-H Council would like to ask 4-H youth some questions about your experience in the 4-H program in 2023. This information will help them make sure future programs are even better. This can be shared with the youth participants: You don’t have to do this if you don’t want to, and you can leave any questions you don’t want to answer blank, and you can stop any time you want. There are no right or wrong answers, we just want you to answer each question as honestly as you can. Thanks for your help!" Click here to complete survey.

**2024 – 2025 Texas 4-H Chartering Process – DEADLINE June 30th**

The 2024-2025 chartering process for existing clubs/groups as well as guidelines for the establishment of new 4-H clubs in Texas 4-H and under the Texas 4-H, Inc. organization is officially open. These documents and other resources are available online at [https://texas4-h.tamu.edu/management/](https://texas4-h.tamu.edu/management/). June 30, 2024, is the deadline to submit 4-H club/group charter applications in order for the application to be reviewed for approval for an August 15 club activation. Items to note include:

- **Texas 4-H Chartering Instructions** – Please note the timeline and important deadlines!

- **2024-2025 Charter Agreement** -- Please note the changes to the Charter Agreement for 2024-2025! As before, signatures are required, but the document must also be initialed where indicated.

- **Sample Bylaws**: The sample bylaws are developed to serve as a guide for clubs/groups to use in bylaw development and/or revision. Chartered clubs/groups have flexibility with their bylaws; however, the items in bold in the sample set are required to be in all bylaws. Club/group bylaws should not conflict with the Texas 4-H Rules and Guidelines and/or the newly revised Charter Agreement.

- **2023 - 2024 Financial Review Form**: Bank statements uploaded as part of the chartering packet should not include copies of canceled checks and/or deposit slips. This is for the security of the club/group account(s). Please note that a checkbox has been added to the financial review form indicating that the Extension Agent certifies that all signers on the bank account are currently enrolled 4-H adult volunteer leaders. Also, please note that the name on a 4-H club’s bank account should match the name of the 4-H club/group as well as the name on the EIN assignment letter. In order to avoid the application being sent back for corrections, please ensure that the financial review form is completed in its entirety.

- **Charter Application Worksheet** for Club/Group Managers to complete and use to fill out information in 4HOnline - This form is simply a worksheet and should not be uploaded as part of the chartering process.

- **Disbandment Form** – Included for any club that will be disbanding. Upon closure of the club, please provide the completed form to the Texas 4-H Office.

**County deadlines may differ from district or state deadlines to allow the county extension staff time to review and complete entries.**
The Club Manager Report page will contain the link and QR Code for all club managers to submit their monthly reports to the County Extension Office.
